APPENDIX A

LIST OF PREPARERS

APPENDIX A LIST OF PREPARERS

This document was prepared by the U.S. Department of Transportation, Federal Highway Administration, and the Virginia Department of Transportation, with assistance from consulting engineers and planners from Parsons Brinckerhoff Quade & Douglas, Inc., Hayes Seay Mattern & Mattern, Inc., John Lambert Associates, Hill Studio, P.C., Thompson + Litton, Chi Associates, Inc., and Coastal Carolina Research.

Virginia Department of Transportation

Name	Experience	Responsibility
Patricia Napier	29 years experience in location / corridor studies	Project Manager
Thomas J. Woods, Jr.	Associates Degree in Civil Engineering; 32 years experience in highway design and project management	Assistant VDOT Project Manager; assist in VDOT and consultant project coordination
J. Mark Wittkofski	M.A. and B.A. Anthropology; 22 years cultural resource management; 3 years environmental documents management	Environmental document and technical reports review manager
Herman Hollins	B.S. Psychology; 29 years experience	Traffic review
William G. Beuter	M.Ed. Adult Education (in progress); B.S. Biology; 24 years of Aquatic Ecology experience	Aquatic ecology reviewer
Kitty Houston	M.A. Historic Preservation; B.S. Chemistry; 12 years experience in planning and Section 106 compliance	Reviewer of Section 106 reports, architectural properties, and effect statements
Rob Cary, P.E., L.S.	B.S. Civil Engineering; 11 years of experience in transportation engineering	Coordinator for the project in VDOT's Salem District Office
Laura Bullock	B.A. Journalism; 20 years of experience in public/media relations, 10 years in transportation public relations	Community Affairs Coordinator for VDOT's 12-county Salem District
Paul Johnson	M.S. Environmental Sciences & Engineering; B.S. Biology; 16 years experience in environmental planning and management	DEIS and technical reports reviewer
Christopher Collins	M.S. and B.S. Biology; 8 years in environmental studies	Section 4(f) reviewer, environmental justice reviewer
Antony F. Opperman	M.A. and B.A. Anthropology; 19 years experience in cultural resource management	Technical guidance on cultural resource issues in DEIS
Elizabeth Gresham	Graduate work in Biology; B.S. Biology; 31 years experience in environmental biology	Reviewer for hazardous materials technical report and DEIS
Cary Adkins	M.S. and B.S. Civil Engineering; 22 years experience in highway acoustics	Reviewer of noise technical report
J. Cooper Wamsley	M.P.A. Public Administration; B.A. Anthropology; 17 years experience in transportation and environmental issues	Environmental document reviewer
Ed Wallingford	M.S. Environmental Science and Engineering; B.S. Agronomy; 14 years experience in environmental studies	Reviewer of hazardous materials reports

Virginia Department of Transportation (cont.)

Name	Experience	Responsibility
Kenneth E. Wilkinson	B.S. Biology; 25 years experience in environmental studies	Reviewer DEIS and technical reports
Lee E. Remy	Dual B.S. Chemistry and Chemical Engineering; 33 years experience in chemical development and production and 14 years experience in Air and VACAL analysis studies	Reviewer of air technical report and DEIS
Munford, Sherry E.	13 years experience in location and design of transportation facilities and 8 years experience in public involvement for transportation projects.	VDOT public participation coordinator
Richard L. Stell	37 years experience in location and corridor studies and project management	Project development coordinator / reviewer of alternative alignment segments
Craig R. Lukezic	M.A. and B.A. Anthropology; 18 years experience in cultural resource management	Reviewer of archaeological report

Federal Highway Administration

Name	Experience	Responsibility
Edward S. Sundra	B.S. Civil Engineering; 12 years experience in highway engineering and environmental issues	NEPA Document Reviewer
J. Bruce Turner	B.S. Biology; Certificate of Public Service in Archaeology; 24 years experience reviewing environmental documents	NEPA Document Review and Approval

Parsons Brinckerhoff

Name	Experience	Responsibility
Susan Killen, AICP	M.A. Urban Planning; 20 years experience in environmental and transportation planning	Project Manager (through 12/98)
Chris M. Lloyd, AICP	M.B.A. Finance; B.S. Sociology; 28 years experience in environmental, urban and transportation planning	Project Manager (1/99 to Present)
Todd Steiss, AICP	M.S. Urban Planning; B.S. Urban Affairs; 11 years experience	Deputy Project Manager (7/99 through present)
John Hendrickson, AICP	M.S. Urban and Regional Planning, B.S. Geography; 6 years experience	Community Impacts, Traffic, Appendices
Kristin Belfield, E.I.T.	M.S. Transportation Engineering; B.S. Civil Engineering; 1 year experience	Traffic Analysis, Urban Freeway Simulation
Andy Garman, AICP	M.S. Urban and Regional Planning; B.S. Geography; 3 years experience	4(f) / Section 106, Land Use, Mapping and Appendices
Chetlur Balachandran, Ph.D.	Ph.D. Acoustics; M.S. Physics; B.S. Physics; 36 years experience	Noise Analysis
Arthur Morrone	M.S. Atmospheric Physics; B.S. Meteorology and Physics; 17 years experience	Noise Analysis
Judi Witzig, AICP	B.S. Environmental Planning and Management; 22 years of experience in environmental and transportation planning	Deputy Project Manager (through 7/99)
Lyn Waterhouse, AICP	M.A. Urban and Regional Planning; 2 years experience in environmental and transportation planning	Land Use, Public Information

Parsons Brinckerhoff (cont.)

Name	Experience	Responsibility
Gordon Schultz	M.S. Civil Engineering; Over 30 years experience in travel demand modeling	Traffic analysis
Troy Illig, P.E.	B.S. Civil Engineering; 12 years experience in traffic engineering	Traffic Technical Memorandum
Donna McCormack, AICP	B.L.A. Landscape Architecture; 12 years experience in environmental analysis and land planning	Quality control and report preparation, Hazardous Materials, Visual Resources, Natural Resources
Margaret Slater, AICP	M.A. Historic Preservation; 15 years experience in cultural resources, Section 106 and Section 4(f)	4(f) evaluation

Hayes Seay Mattern & Mattern, Inc

Name	Experience	Responsibility
Guy W. Buford, P.E.	B.S. Civil Engineering; 35 years of experience in highway planning, design, and construction	Alternatives Development/ Preliminary Engineering
Mark Jamison, P.E.	M.S. Civil Engineering; 16 years experience in roadway design and transportation engineering	Alternatives Development/ Preliminary Engineering
Martin L. Mitchell, P.G.	M.A. Marine Science; B.S. in Geology; 16 years experience in environmental sciences, planning, NEPA documentation	Fieldwork and data collection; lead investigator for preparation of Natural Resources Technical Memorandum
Anne Cecil, E.I.T.	B.S. Civil Engineering; 1 year experience in transportation engineering	Alternatives Development/ Preliminary Engineering
Melissa McCanna	B.S. Biology; 6 years experience in environmental sciences and planning	Aquatic ecology assessments for Natural Resources Technical Memorandum
Lori V. Gardner	B.A. Geography; 2 years experience in environmental sciences and Geographic Information System (GIS) analyses	Stream sampling; data collection; GIS assessments for Natural Resources Technical Memorandum

John Lambert and Associates

Name	Experience	Responsibility
John Lambert	M.A. Journalism; B.A. Political Science; 35 years experience in journalism and public relations	Coordinate public participation
